

HUMAN RIGHTS DAY RALLY

#EVACUATE MANUS & NAURU

BRING THE REFUGEES HERE

speakers include: live cross from Manus refugees

Andrew Giles - ALP MP

Mohammad Mohideen - President Islamic Council of Victoria

Shawfikul Islam - Australia Burmese Rohingya Association.

Protests on Manus continue, now in Lorengau after refugees were violently moved by force. This rally on Human Rights Day will be calling on the Turnbull government to immediately evacuate the Manus and Nauru refugee prisons. It will call for an end to offshore processing and to bring all the people Australia forced to Manus and Nauru here. It will also call for Australia to take at least 20,000 Rohingya refugees. 500,000 Rohingya have faced 'ethnic cleansing' in Australia's backyard, and the Coalition government has refused to take a single one of them. 170 Rohingya have been imprisoned by Australia on Manus and Nauru for four and a half years.
