

BRING THEM HERE AND LET THEM STAY

TO THE HONOURABLE THE SPEAKER AND
MEMBERS OF THE HOUSE OF REPRESENTATIVES

This petition of the Refugee Advocacy Network,

draws to the attention of the House:

- Australia's refugee policies are cruel and destroying lives, with a number of avoidable deaths in detention.
- People seeking asylum have the right to live with dignity and in safety in our community while their claims for protection are processed.
- We want our society to be compassionate and just for all people, including people seeking asylum and those granted refugee status.

We therefore ask the House to:

- Cease mandatory detention.
- Close the camps on Nauru and Manus Island.
- Process all claims for asylum in Australia in a fair and timely manner.
- Refuse to deport people to dangerous or life threatening situations.
- Replace temporary protection visas with permanent protection visas.
