

Justice for Refugees

TO THE HONOURABLE THE SPEAKER AND MEMBERS OF THE HOUSE OF REPRESENTATIVES

This petition of the Australian Refugee Action Network, draws to the attention of the House that:

- Indefinite detention has undeniably harmed innocent people seeking asylum, both on shore and offshore,
- Refugees have the right to protection, and opportunities to rebuild their lives in a safe environment, and
- Nauru and PNG do not offer prospects for a reasonable future for people in need of protection.

We ask the House to:

- Provide permanent protection to refugees who have sought protection in Australia,
- Evacuate all offshore camps and bring all of the people detained there to safety in Australia,
- End indefinite detention,
- Ensure that determination processes are thorough, fair and timely,
- Cease the demonisation of refugees, and lead a constructive and respectful dialogue, and
- Legislate to protect the rights of refugees and people who seek asylum in Australia.
